

Fraternity and Sorority Life ATLAS

2018

ATLAS

**Accountability
Towards
Leadership
Achievement
Success**

ATLAS is the result of a student led task force. It's goal is to serve as a guide to assist the community in obtaining organizational goals and to provide a positive future for your organizations. It is also meant to help you have positive working relationships with the FSL Staff, the councils, and each other.

The areas of achievement and recognition are:

- Engagement
- Friendship
- Leadership
- Risk Management
- Scholarship
- Service

There are benchmarks in place that will help you in your leadership roles, that will empower you to achieve, and will help with your overall success each year.

Benchmarks

Friendship

Positive Working Relationships.
Recruitment and New Member
Education.

Friendship

- Pay respective council dues
- Rosters are properly maintained and updates are communicated through:
 - Membership Acceptance Forms within one week of accepting membership
 - Altered Status Forms before updating roster and before rosters lock on the first Friday of April and the first Friday of November
 - Graduate Forms within first week of the following semester
- Recruitment/Intake Schedules and Plans are provided to the FSL Office
- Bid Lists are shared as directed by respective councils or guidelines
- New Member Education plans are provided to the FSL Office and do not exceed 8 weeks

ATLAS

Leadership.
Meetings. Retreats. Trainings.

Leadership

- Chapter Officers attend meetings, retreats, and trainings required by respective council or FSL Office
- Leadership Rosters are maintained and provided to the Councils and FSL Staff
- Chapters are meeting on campus
- Presidents meet once a month with a member of the FSL Staff
- Chapter Officers are meeting with their Faculty or Chapter Advisor at least twice each semester

Service

Service events. Philanthropy. Reporting.

Service

- Utilize service tracking sheet provided by respective council to track individual member service hours for community reporting each semester and for our Annual Report
- Host 2 service events each semester
- Host 1 Philanthropy event per year

Scholarship Students First!

Scholarship

- Meet a term grade point average of a 2.7 collectively as continuous members and as new member class
- Recruit potential new members in accordance with the respective council by-laws/recruitment guidelines
- Submit academic plans to the FSL Office and review them with a member of the FSL Team within the first 2 weeks of each semester
- Seek out resources that will help us achieve academic success

Engagement

Programming and
community events.

Engagement

- New Members attend STRIDE
- Chapters participate in required programming put forth by their respective council or the University. For example, Hazing Prevention Week, Greek Week, and Educational programs or workshops.
- Chapters attend or host an Inclusion and Diversity Workshop during the calendar year.

***Percentages will be set by respective councils

Risk Management

Insurance. Liability. Safe social events.

Risk Management

- Chapters submit Property of Record Forms and Social Event Registration Forms as requested.
- The FSL Office has a current copy of the Chapter Liability Certification/Proof of Insurance on file
- Chapter is in good standing with their National Office
- Leadership attends Risk Management Trainings and Forums and has a Risk Management Completion Certificate and Contract on file
- Anti-Hazing Compliance Forms are reviewed each year with the entire chapter and signature sheets are on file with the FSL Office. New Members complete the form as they join.
- 50% or more of the chapter has attended a professionally facilitated risk management program during the year
- Social Chairs and Risk Managers attend continued education GAMMA Workshops each semester.

Above and Beyond

Working towards success and achievement. Not because it is required, but because you wish to reach greater heights.

Above and Beyond

- Chapters are provided an “Above and Beyond Rubric” at the start of each year.
- The Rubric highlights areas of achievement that are beyond minimum expectations in each benchmark. It also outlines required documentation or proof needed in order to be awarded points.
- Chapters who wish to be eligible for Fraternity or Sorority of the Year for their respective council must meet ATLAS requirements and achieve a minimum of 50 above and beyond points.
- Chapters can achieve points in each Benchmark area and if they achieve all points in one benchmarking area, they will receive a Benchmark Certificate at the Annual Award Ceremony.

University Role

- Provide advisement to the 32 recognized organizations, 3 governing councils, and established honorary societies
- Provide programs and services that align with the expectations and values of fraternal involvement and with the vision of the University
- Provide relevant resources and connections with campus partners
- Maintain active oversight of fraternal events (social event registration) and functions
- Maintain communication with leadership, advisors, and National/Regional Offices
- Provide leadership trainings and retreats (leadership development)
- Provide educational workshops and classes
- Track and maintain academic and philanthropic reports
- Recognize the positive achievements of our organizations
- Advocate for and support chapter leadership

Council's Role

Councils will be responsible for disseminating information, collaborating with the FSL Office and the University in making change and updates, and will work with the Peer Advisory Board to assist chapters and hold organizations accountable.

- Respective Councils will assist with engagement and community programming operatives
- Respective Councils will set the required percentages as indicated.
- Governing Council Presidents will sit on the Peer Advisory Board and will help establish and maintain the board each year

Peer Advisory Board

- The Peer Advisory Board will convene meetings with chapters who are struggling with meeting minimum expectations or who are in need of additional support to develop a success plan.
- Governing Council Presidents will serve on the board and
- At least one president from an organization within each of the following councils:
 - IFC
 - PHC
 - NPHC

Alternates will also be selected.

- One Graduate Assistant from Campus Activities will also sit on the board when convened
- Additional seats will include Governing Council Officers as is consistent with their position. I.E. VP of Scholarship for academic concerns.

The advisory board will deal with all issues that are in violation of these minimum expectations.

The board will have jurisdiction over but are not limited to the following:

- Minor social violations and minor infractions
- GPA requirements
- Lack of paperwork submissions

Awards

- **The Governing Council will assist the FSL Office with Annual Awards.**

Muse Awards to be added in 2018 that are not council specific:

- Diversity Initiative Award
- Sustainability Award
- IMPACT
- Out of the Box Award (Creative PR, cool videos, social media use, etc.)

Councils may do their own recognition ceremonies at the end of the year to recognize leaders and delegates.

Awards are determined by applications, presentations, and supplemental information from ATLAS submissions provided by FSL.
